

## Contact Us

If you'd like to learn about the solutions we offer, provide feedback, or share an idea, we'd love to hear from you. You can use the list on this page to email us.

Please note that we receive a large amount of spam every day and we do use various spam filters to filter out this junk. Occasionally a valid e-mail may get filtered. So, to ensure your e-mail gets through please follow the instructions below.

Please be sure to read the Frequently Asked Questions (FAQs) before you send us an e-mail. If your question is already addressed there, then it is unlikely you'll get a response from any of these addresses. Sorry, but we put together the FAQs to better help you help yourself and to help keep down the volume of e-mail we need to respond to. Feedback

Send an e-mail to [feedback@stevengould.org](mailto:feedback@stevengould.org) and put "[feedback]" in the subject line (without the quotes) followed by a meaningful subject. Use this address for general product feedback as well as new products ideas and suggestions.  
Webmaster

Send an e-mail to [webmaster@stevengould.org](mailto:webmaster@stevengould.org) and put "[webmaster]" in the subject line (without the quotes) followed by a meaningful subject. Use this e-mail address for anything related specifically to the web site and its content.  
General Information

Send an e-mail to [info@stevengould.org](mailto:info@stevengould.org) and put "[info]" in the subject line (without the quotes) followed by a meaningful subject. Use this e-mail address for general company information and potential business partnerships. Please do not use this e-mail address for support questions. It is unlikely that you'll get any response. Sorry, but that is what the FAQs and forums are for.  
Source Code Requests & Business Offers

Send an e-mail to [offer@stevengould.org](mailto:offer@stevengould.org) and put "[offer]" in the subject line (without the quotes) followed by a meaningful subject. Use this e-mail address for submitting serious offers for access to the source code, or other commercial offers. Please include your intended use of the source code, as well as the amount you would be willing to pay for the requested rights. Finding Us
